

# Community Support Center, Inc

Strong Community Operating for Risk Reduction

# "Building Healthy Families and Strong Communities through Possible Relationships, Programs and Collaborative Effects"

## Who We Are

**The Community Support Center, Inc.** is a non-profit Organization offering a variety of social services to our community and the surrounding communities

Employment Preparation We offer individual preparation for job seekers such as resume writing, interviews skills, Dress for Success, etc

We expect to offer in the near future:

- Adult GED Classes
- Urinalysis Testing for Companies

Women Wellness are the foundation for wellness, health promotion and the disease identification and management throughout your life. It is no secret the healthy living and early

detection of disease increases not only your length of life but, more importantly, your quality of living. Preventive care is one of the most important steps in managing one's health. Well woman exams are the foundation for wellness, health promotion and disease identification. We will provide education and counseling concerning recommended women's preventive health care such as mammograms, cervical cancer, and other services. Provide routine health screenings such as blood pressure; body mass index (BMI); preventive screening and counseling. Limited physical exam and screening will be provided.

### Mental Health Intervention/Assessments

The goal of the intervention is to present a united front, making it impossible for the afflicted to deny their problem any longer. With the help of the interventionist to facilitate these results your loved one can begin to receive the help they need.

**Strong Community Operating for Risk Reductions, Inc** operates for the safety of our citizens and clients by offering programs of prevention and assistance for

drug related social issues.

### Risk Reduction

Mandatory alcohol education, assessment require attendance at DUI prevention programs geared toward alcohol education or therapy.

By offering "DUI School" or "AEP", alcohol education programs we aim to, reduce, or eliminate harsher penalties in drunk-driving cases, such as court fines, licenses suspension, and jail time. DUI offenders who successfully complete the terms of their alcohol education or therapy program may have their driving privileges restored.

### Family Counseling

The court may require parents or any other party involved in a custody or visitation dispute, and the minor child, to participate in outpatient counseling with a licensed mental health professional, or through other community programs and services that provide

appropriate counseling, including, but not limited to, mental health or substance abuse services, for not more than one year, provided that the program selected has counseling available for the designated period of time.

## What We Do
